

			CODE:		p11199K ab SN from 00A200	
DESCRIPTION:	TANK		TANK	RESERVOIR	TANQUE	SERBATOIO

The diagram shows an exploded view of a mechanical assembly. Key components include a central tank/reservoir unit with various internal parts like valves, gaskets, and screws. External parts include a filter box, a handwheel knob, and various hoses and clamps. The assembly is shown in a disassembled state to illustrate the relationship between different components.
