

ABILA

MACHINE: ABILA		
Description	From serial number	Validity date
ABILA SCRUBBER DRIER 17-42-52	108003572	07/03/2008
Subject of modification 134: DRAIN HOSE WITH BUILT-IN CAP <u>DESCRIPTION:</u> The current 38 mm diameter drain hose with cap has been replaced with a new spiral reinforced hose with built-in cap. For previous hoses, the cap will still be available as a spare part, while the hose will no longer be available. Kit 215454 has been created for the new hose with the addition of three new components.		
Code:	Description	Quantity
REMOVE		
201031	HOSE D.38 x 590 mm	1
