(Use with any tool that has an O under the part number)

For plastic slip on tools

ORDER NO.

GENERAL DESCRIPTION

1 1/2" Crevice Tools

800035

12" (30 cm) high-impact plastic.

Short thin tool for cleaning out cracks, crevices and other tight places. Use with all series of Vacuums with 1 1/2" hose.

800034

24" (61 cm) aluminum.

Good industrial quality tool for cleaning in and around machinery and tight places. Use with all series of vacuums with 1 1/2" hose.

800104

28" (71 cm) high-impact plastic.

Good for reaching into confined spaces and for cleaning corners without stooping. Use with all series of vacuums with 1 1/2" hose.

Upholstry Tool

800124

5" (13 cm) high-impact plastic with adapter for 1-1/2" hose. For brush insert see below.

Not included:

731 Slide-on bristle brush.
For use with 800124

804013

Adapter (1-1/4" to 1-1/2") 5" long, aluminum. Use to fit 1-1/4" slip on hand tools directly to 1-1/2" hose.

ORDER NO.**GENERAL DESCRIPTION****801019**

17" x 1 1/2" Pigtail - Rubber, Grounded

17" long x 1 1/8" diameter flexible rubber tube for cleaning tight spaces. Use for blowing and vacuuming core boxes, etc.

Use with 800020

800020 1 1/2" hose coupler

**701031**

Vacuum Gauge

Fits onto end of hose or intake and reads sealed

Static-lift. Indicates if machine is running at full power.
